Hopefully having completed your puppy course you will have gained your **Puppy Foundation Certificate**.

You now have the opportunity to progress your training and gain your **Bronze Award**.

But it doesn't have to stop there!
The **Silver Award** is the next step with the **Gold Award** as a real achievement for both you and your dog.

All of these awards can be worked towards at the Mid Sussex Dog Training School.

Mid Sussex Dog Training School is delighted to be able to offer subscription.

What this means for you is considerable savings on a week-by-week basis.

How to qualify

The only qualification is for you to have enrolled for, and completed, a six week course.

After that you can join our 'Club' and enjoy reduced rates.

Having completed a six week course there is so much more you can teach your puppy as he grows into adulthood.

You can both have lots of fun and develop a really close bond which can only be enhanced by training together.

Upon joining our 'Club' you will receive a Mid Sussex Dog Training School subscription card.

How much will it cost?

You can subscribe for 6 months for £20 or for 1 year which will cost £30.

Once subscribed you can then attend as many classes as you like for a much reduced rate of £4 per class - that's less than half the price of the standard class fee.*

**standard class fee is £9.00*
